Fouad: Thanks for the explanation. Using FedEx is fine with me, as long as we change the heading on the title pages of the GNLs. After it is established with whom I should coordinate for enforcement support while you and Mike are on details, would you please ask that the designated person (Toeroek or whomever) give me a call so that I can brief them on what we are doing? Thanks again, and good luck on your detail. –Tom Turner

Hi Tom,

I apologize for delay response. I was out most of the week last week and today is my first day back into the office. I will put the GNL letters into signoff tomorrow. I am only here until Friday 1:30 pm and will start my 6 month detail this coming Monday. Mike will be on a 120-day detail as well starting Monday. [REDACTED]

Thanks, I do remember you mentioning that Fouad. Congratulations and good luck in Water Div. Should I start to go to Mike Rafati (or someone else), when I have Enf. Specialist matters? How soon should I begin? Thanks again to both of you.
